

# COVID-19 Prevention

## Post-Spring Break Precaution Notice

1. If you have been to the following 11 national-level alert tourist spots or other crowded places during the past spring break, you are urged to conduct a **14-day period of self-health management** according to CECC and are **not allowed to enter NCCU campus** if you show any symptoms.

City/ County	Tourist Spot
Yunlin (1)	Beigang Chaotian Temple
Chiayi (2)	Alishan National Forest Recreation Area, Wenhua Road (Chiayi City)
Tainan (4)	Guanzhiling, Hu-Tou Pei, Wusanto Reservoir, Wusanto Huching Resort Hotel
Kaohsiung (2)	Singda Harbor, Chishan Old Street
Pingtung (1)	South of Nan-cho Township (including Kenting. Please refer to the areas highlighted in <b>yellow</b> below.)
Hualien (1)	Dongdamen Tourist Night Market

2. Riders of **public transport** (including High-Speed Rail, Taiwan Railways, Buses and MRT) and **taxis** are required to wear face masks all the time and undergo temperature checks before entering a bus or MRT station. Those who refuse to wear face masks on public transport after being advised to do so will be fined up to **NT\$ 15,000**.
3. Please be cautious about your health conditions within 14 days after the spring break and **take body temperature** every day. If you don't feel well or show any symptom, please wear a face mask to seek medical attention immediately and inform the **University Security Center (0919-099-119)** simultaneously. Or you may call toll-free Communicable Disease Reporting and Consultation Hotline, **1922** (or **0800-001922**), and inform the physician of any history of travel.
4. Students and faculty are required to **wear face masks** if they are unable to observe social distancing (**1 meter outdoors, and 1.5 meters indoors**) during classes.
