

Yushan (Young) Scholar Program, Ministry of Education

Through the Yushan Scholar Program, the Ministry of Education provides subsidies to ensure university faculty salaries and benefits are internationally competitive, allowing Taiwan universities to attract top-flight talent to help raise the quality of academics and research in Taiwan's higher education and increase the global impact of Taiwan's universities. Full-time faculty who meet MOE criteria will receive the following additional funding above and beyond their university salaries and benefits.

Program	Purpose	Applicant Category	Funding Amount (Per person/ Per year)	Note
Yushan Scholar	Global Recruitment	Yushan Scholar	Annual salary supplement of up to NT\$5,000,000, and annual administrative support grant of NT\$1,500,000 per applicant.	Grants are made annually for 3 successive years.
		Yushan Young Scholar	Annual salary supplement of up to NT\$1,500,000, and annual administrative support grant of up to NT\$1,500,000 per applicant.	Grants are made annually for 5 successive years.
